For your Boudoir, Madame,

TALC DJER-KISS

en bouteille

FROM Paris, Monsieur Kerkoff now sends to the American ladies his incomparable Talc Djer-Kiss in this exquisite new bottle of fluted glass — a most graceful accessory for the dressing table.

Here, indeed, is Talc of supreme fineness and purity. Smooth. Soft as fairy gossamer. Light as thistledown. And through it breathes alluringly the Parisian fragrance of *Parfum Djer-Kiss* itself!

At her favorite shop will *Madame* find this French, French Talc — Talc Djer-Kiss — in its new Parisian package.

No Longer Necessary to Defend Bobbed Hair

Formerly one had to explain why one had bobbed hair. Now one has to explain why it is not bobbed. Bobbed hair is not only "comfortable" but enables one to keep the hair and scalp in better condition than formerly. It has opened up a tremendous field for Noonan's Hair Petrole—which is both beneficial to scalp and the hair. In dressing sprinkle a few drops on a brush and brush it lightly. Then curl it. The effect is to show the wave to better advantage and keep it in place, leaving a brilliant gloss. It does not darken blonde hair but rather intensifies the natural color and strengthens the growth, removing any trace of dandruff. Noonan's Hair Petrole is applied at hairdressers or it can be bought by the bottle, 50c and $1.00, for home use. At drug and department stores.—Advt.

THEATRE hour traffic calls for a car that can thread its way through the crowded streets at a snail's pace in high gear or spring forward like a greyhound at a touch of the accelerator, ready to take advantage of every opening.

In city streets or on the open road Buick's performance delights car owners. A gentle pressure on its famous four wheel brakes brings the car to a quick, smooth stop.

Nine hundred thousand Buicks in use today are proving that Buick builds into an automobile the qualities that please the public.

Good Evening!

We would like to ask you
this evening
if you do not believe
that a bank of size
is the right place
for a man with small capital,
just starting in business.
A bank with vision
welcomes an opportunity to help
those just entering
the commercial world.
It does this, knowing
that co-operation with a strong
bank in the development period
of a business,
will pave the way
to progress and permanent results.
Come in soon
and talk things over frankly.
It is likely we can do something
well worth while for you.

Cordially yours,

President.

of the VOSE family have made the art of manufacturing VOSE Pianos their life work. For over seventy years they have been developing their instruments with such honesty of construction and materials, and with such skill, that the VOSE Piano of today because of its real artistic qualities is universally known as the piano for the American home. Their new Grand is the climax of their achievement, wonderful in tone, action, and general construction. It attracts both the ear and the eye, and is the finishing touch in adding refinement to the home.
